STUDY SESSION

Study Sessions are set aside for Council to have discussions and gather information and study issues more in depth before taking any actions at a Regular Meeting. Residents are invited to hear the discussions in-person or listen online via the [Village's live online audio-stream](#), but are not allowed to participate in Study Session. Recent discussions include:

Update on Retaining Consultant for Concept Analysis for Fiber to the Premise Options

Since 2021, the City Council Infrastructure Committee has been exploring options to provide high speed (gigabit) internet to all residents and businesses in Greenwood Village. Staff presented to the City Council, recommending to hire a consultant to help the Village develop costs for various fiber to the premise options.

There was consensus among City Council for staff to proceed and retain Uptown Consultants, and allocate up to \$75,000 for a study that will provide three specific network designs and the associated cost estimates. It is anticipated the designs and cost estimates to be completed in the summer, 2022.

UPCOMING COUNCIL TOPICS

1st Quarter 2022

- *Family and Medical Leave for City Employees*
- *Public Hearing for rezoning and related development at 5800 E. Belleview Avenue*
- *Agreement with Centennial for maintenance of Orchard Road Landscaping*
- *Liquor license application hearings; Spitz Mediterranean Street Food and Wingstop*
- *Review of the Construction Site Management Manual*

These items are tentatively scheduled for future meetings and are subject to change.

Official agendas are published the Wednesday prior to the Monday Council meeting. They can be found online at greenwoodvillage.com/agendas

Study Session - Continued

Update on Xcel Undergrounding

Staff presented an update on the Village's Xcel Electric Line Undergrounding program.

Through the Village's franchise agreement with Xcel Energy, the Xcel converts overhead power lines to underground within the Village's right-of-way. To date, 65,987 linear feet of overhead power lines have been undergrounded in Greenwood Village since the start of the program in the early 1990's, which represents approximately 76% of eligible power lines.

Staff will proceed with four undergrounding projects in 2022. To learn about specific projects, please call Public Works at 303-708-6100 or email webpublicworks@greenwoodvillage.com

COUNCIL MEETING

Council takes action at Regular Meetings which are open to the public for in-person attendance and also [audio-streamed live via the Village's website](#). Recent actions include:

Ordinances

[An Ordinance Adding Section 2-4-140](#) of the Greenwood Village Municipal Code to Allow for Collection of Unpaid Municipal Court Assessments passed on second reading.

[Ordinance No. 02-22](#): Amending the Greenwood Village Municipal Code Regarding Publication of Ordinances and Other Notices passed on second reading.
