## Public Hearing

### 2023-2027 Capital Improvement Program

City Council solicited input from citizens regarding the 2023-2027 Capital Improvement program. No public comment was provided by citizens in attendance.

## Ordinances and Resolutions

- Council adopted **Ordinance No. 06-22** (2nd Reading) Amending Chapter 9 of the Greenwood Village Municipal Code to Add Certain Criminal Offenses. The ordinance adds drugs and other offenses recently reduced to misdemeanors by the State of Colorado to the Municipal Code.
- Council approved on first reading, **Ordinance No. 07-22**, Amending Section 16-22-130 of the Greenwood Village Municipal Code Regulating Home Occupations to Prohibit the Commercial Sales of Firearms. The ordinance amends the Village's zoning code to prohibit the sale of firearms in in conjunction with a home-based business. The ordinance does not prohibit occasional private sales of firearms from a residence, nor can zoning changes be applied retroactively, which means that any Federal Firearm License (FFL) dealer business currently operating will become a legal non-conforming use.

## New Business

- Council passed a motion to authorize the Mayor to execute an Intergovernmental Agreement with the Arapahoe County Region for Opioid Settlement. The State of Colorado and participating local governments executed the Colorado Opioids Summary Memorandum of Understanding in 2021, establishing the manner in which Opioid Settlement Funds will be divided and distributed within the State. The Arapahoe County Regional IGA makes the Village a part of the Arapahoe County Region to receive opioid settlement proceeds for drug treatment, recovery, prevention and education, and other appropriate harm reduction programs.

There are 19 regions in the State of Colorado. Of the \$400 million settlement the State of Colorado will receive, 20 percent of those funds will go to local government regions.
